

All-Day American Red Cross Training
Saturday, February 20th
9:00AM-5:00PM
SUNY New Paltz Campus - Lecture Center, Room 108

Would you like to be prepared to help your neighbors when disasters occur?

Ulster County Chapter of the American Red Cross, in partnership with SUNY New Paltz and the Institute for Disaster Mental Health, will be hosting a **FREE** all-day American Red Cross event to train community members and potential volunteers in basic Red Cross disaster services. The courses will serve as an introduction to the Red Cross, and will discuss both the roles and responsibilities of Mass Care workers, and how to effectively set up, run, and close shelters while meeting the needs of people displaced as a result of a disaster.

Trainings will include: Fulfilling Our Mission, Mass Care, and Shelter Operations

Together, we can save a life

All are invited to register for this event. Please pass this information on to other interested community members including family, friends and neighbors!
