General Rules for the ULA Unofficial Scrabble® Tournament on March 11th, 2010

We will follow the basic rules of Scrabble® and refer to the official Scrabble® player's dictionary or the top of the game box when in doubt.

All words must be spelled correctly. If your team has a word that you are unsure about, you may ask for dictionary confirmation from a Dictionary Person for \$5.

Blank tiles can be used at the price of \$5 per tile. Two per table per game.

Word Waiters will be available to sell letters at \$10 for each tile.

Each game round is 20 minutes. We will issue a one minute warning. At the end of each round, the team with the higher score will continue competing with other winning teams until, after 4 rounds, the finalists are identified.

When the round is completed and scores are finalized, please make a 10x10 square from your letters to be sure your team is not missing any letters.

The Judge's ruling is final.

Declaring a Winner: The team with the most points at the conclusion of 4 rounds of play will be the grand winner.

Have fun! We do not allow stressing out!

Need practice? Keegan Ales, 20 St. James Street, Kingston, will be open from 4pm-10pm on Tuesdays and will offer Happy Hour pricing all evening. Bring your own Scrabble game, if you have one. Some will be provided. All for fun.

Please save the section above so you will have a copy of the rules.

Send only the bottom half of the registration form back with your check.

Your donation is fully tax deductible.
